Proposed Acquisition of 40 per cent. of the issued share capital of Moshen Limited

Notice of General Meeting

1. Introduction

Concha plc has announced today proposals for its first investment under the investing policy approved by Shareholders at the general meeting held on 7 February 2012, and subsequently revised at the general meeting held on 27 December 2012, together with a Share Consolidation and a Placing.

Concha has agreed conditionally to acquire a 40 per cent. interest in Moshen, a leading developer and distributor of digital Apps focusing on the sports, games and entertainment sectors, for a consideration of £250,000, payable in cash, and to provide a further £250,000 in the form of a term loan to Moshen (the “Moshen Loan”) for working capital purposes.

In addition, the Company is pleased to announce proposals for a share consolidation of 1 new Consolidated Ordinary Share for 10 Existing Ordinary Shares and an equity fundraising of up to £850,000 (before expenses) via a placing of up to 243,000,000 new Consolidated Ordinary Shares at a Placing Price of 0.35 pence each with both new and existing investors.

The Placing and the Share Consolidation are subject to shareholder approval and Admission of the shares to trading on AIM, and the Moshen Acquisition is conditional, *inter alia*, on completion of the Placing. Accordingly, the purpose of this document is to provide Shareholders with information regarding the Moshen Acquisition, the Placing and the Share Consolidation and to convene a General Meeting of the Company to be held at 9.30 a.m. on 5 April 2013 at the offices of Brown Rudnick LLP, 8 Clifford Street, London W1S 2LQ notice of which is set out at the end of this Circular.

The Directors intend the Moshen Acquisition to be the first in a series of investments that will allow Concha to build a portfolio of interests in the technology, media and entertainment sectors as set out in its Investing Policy and accordingly expect to announce further investment and acquisition opportunities in due course to be funded by way of cash and/or shares in the Company. At this time however, the Directors can confirm Concha has not entered into any firm commitments in connection with any other investments or acquisitions.

2. Background information on Moshen Limited

Moshen is a specialist developer and distributor for digital Apps focusing on the sports, games and entertainment sectors. It is based in Lancaster and currently employs 19 people. Moshen has built an extensive worldwide client base during its relatively short three year history and includes official Apps for a number of leading sporting federations, associations, leagues, clubs and individuals such as the English Premier League, Manchester United Football Club, Manchester City Football Club, Chelsea Football Club, the International Cricket Council, International Management Group, Professional Darts Championship and Sir Steve Redgrave. In addition, Moshen has developed a number of proprietary Apps, including the popular “Darts Night” App which has been downloaded by 1.4 million users.

Moshen was founded in 2009 by the current Chief Executive Officer and majority shareholder, Graham Baines, who was formerly a Director of ROK Entertainment Group Inc., a mobile television and value added services provider for mobile network operators and handset manufacturers. Following the Moshen Acquisition, Chris Akers, Executive Chairman of Concha, will become a Non-executive Director of Moshen with immediate effect in order to monitor Concha’s 40 per cent. investment and also to give Moshen access to his worldwide database of sports contacts.

Moshen is a growing business and its audited consolidated accounts for the 15 months ended 31 December 2011 show revenues of £0.84m and EBITDA of £0.18m (loss) which has increased to £1.09m and £0.25m (loss) respectively in the unaudited management accounts for the year ended 31 December 2012 (with the majority of this activity occurring in the second half of the year). Net liabilities were £0.04m in the audited accounts as at 31 December 2011 and £0.14m in the unaudited management accounts as at 31 December 2012.

Overall, the Directors believe the market for the leading official sports Apps for the major sporting federations, associations, leagues and clubs will continue to experience strong growth over the coming years as a result of their brand strength, large fan bases and social media followings. Accordingly, the Directors believe Moshen is well positioned to benefit from its existing and prospective pipeline of internet, App and SMS releases, which are expected to generate income through design and build fees, through ongoing revenue share agreements with the content and intellectual property owners of premium Apps and through within-App purchases. Furthermore, Moshen is entitled to a share of advertising revenue from its proprietary Apps. New product launches for new customers, continued product development for existing customers and increasing accessibility of existing products are expected to drive strong sales growth in 2013.

3. Principal terms of the Moshen Acquisition

Under the terms of the Moshen Acquisition Agreement, Graham Baines (“Mr. Baines”), who immediately prior to the execution of the Moshen Acquisition Agreement will be a 95 per cent. shareholder in Moshen, has agreed to sell to Concha 1,816 ordinary shares of £1 each held by him in the share capital of Moshen (equal to approximately 40 per cent. of the entire issued share capital of Moshen) for a purchase price of £137.66 per Moshen Share. Following Completion of the Moshen Acquisition, there will continue to be a minority interest of approximately 5 per cent. in Moshen held by several other shareholders.

The total consideration payable under the Moshen Acquisition Agreement of £250,000 is payable in cash on completion of the Moshen Acquisition which is conditional upon the Resolutions being approved by the Shareholders at the General Meeting.

Customary warranties have been given by Mr. Baines including a warranty that Moshen will not require any further capital funding for a period of 6 months following completion.

In addition, Concha has agreed to make an interest free loan to Moshen of £250,000 for working capital purposes and the repayment of certain indebtedness of Moshen. The Moshen Loan is repayable in 10 equal monthly installments of £25,000 beginning on 31 May 2013. Default interest is payable at the rate of 5 per cent. per annum above Lloyds TSB base rate from time to time.

Mr. Baines has granted Concha a charge over 1,816 of his shares in Moshen amounting to approximately 40 per cent. of the entire issued share capital of Moshen in respect of his liabilities under the warranties in the Moshen Acquisition Agreement and the guarantee given by him in relation to the Moshen Loan. Further, Moshen has granted a debenture over its assets in favour of Concha in relation to the Moshen Loan.

The shareholders in Moshen have agreed to enter into a shareholders agreement and to adopt new articles of association of Moshen in order to regulate their relationship. Concha shall have the right to appoint to the Moshen Board two fifths of the directors from time to time and to remove such director(s). A quorum of the Moshen Board requires the presence of one Concha director. No transfer of any shares in Moshen may take place without either the prior consent of shareholders holding at least 75 per cent. of the share capital of Moshen or in accordance with the pre-emption provisions of the new articles of association and shareholders agreement. The shareholders agreement contains rights whereby (i) if holders of 65 per cent. of the shares in Moshen wish to transfer their shares, such shareholders may drag all other shareholders and require that they sell their shares on the same terms; and (ii) in the event of a proposed transfer of shares in Moshen by holder(s) of more than 25 per cent. of the shares in Moshen, the remaining shareholders may tag along or force that such selling shareholders also procure the purchase of their shares on the same terms.

4. Principal terms of the Placing

The Company is proposing to raise up to £850,000 before expenses by the issue of up to 243,000,000 new Consolidated Ordinary Shares at 0.35 pence per Placing Share. After expenses, the net proceeds of the Placing are expected to be up to £750,000 and will be applied to the acquisition of Moshen, investing in accordance with the Investing Policy and for general working capital purposes.

The Placing Shares will represent up to 43.88 per cent. of the Enlarged Share Capital of the Company and will when issued rank *pari passu* with the Consolidated Ordinary Shares.

The issue of the Placing Shares is conditional, *inter alia*, upon the approval by Shareholders of Resolutions 3 and 4 to be proposed at the General Meeting convened for 5 April 2013. If Resolutions 3 and 4 are not approved by Shareholders, the Placing will lapse, any monies received in respect of the Placing will be returned to the applicants without interest and the Moshen Acquisition will not occur.

In view of the fact that the Placing Shares are not being offered on a *pro rata* basis to all existing Shareholders, the Placing is also conditional, *inter alia*, upon Shareholders resolving to disapply statutory pre-emption rights. As such the Placing is subject to the approval of Shareholders, which is being sought at the General Meeting to be held at 9.30 a.m. on 5 April 2013, notice of which is set out at the end of this document.

Restoration of trading on AIM and Admission of Placing Shares

Concha is an Investing Company for the purposes of the AIM Rules, under which the Company must implement the Investing Policy as approved by shareholders. The Acquisition will not, on its own, be sufficient to implement the Investing Policy to the satisfaction of the London Stock Exchange and Concha will therefore remain suspended from trading on AIM. Restoration of trading is conditional on Concha undertaking a further acquisition or series of acquisitions that constitute a reverse takeover, or otherwise implementing its Investing Policy to the satisfaction of the London Stock Exchange, within a six month period from the date of suspension (8 February 2013). Failure to do so will likely lead to the Company being cancelled from trading on AIM with effect from 8.00 a.m. 9 August 2013.

The Directors are actively pursuing investment opportunities and are confident that they will be able to conclude further investments before 9 August 2013 which will be sufficient to ensure restoration and to generate shareholder value.

Following completion of the Proposals, Shareholders will be advised of their shareholdings in Consolidated Ordinary Shares. The London Stock Exchange will be advised of the new structure and of the new International Securities Identification Number (“ISIN”).

Application will be made to the London Stock Exchange for the Consolidated Ordinary Shares arising from the Share Consolidation and Placing Shares to be admitted to AIM. However, trading will not commence until the Company has implemented its investing policy in full in accordance with the AIM Rules and trading in its shares on AIM is restored (as discussed above).

The Consolidated Ordinary Shares will not be admitted to trading on any other investment exchange. The shares arising from the Placing Shares will rank *pari passu* in all respects with the Consolidated Ordinary Shares and will rank in full for all dividends and other distributions thereafter declared, made or paid on the ordinary share capital of the Company.

On completion of the Placing, the Company will have in issue a total of 553,828,409 ordinary shares of £0.001 each.

5. Share Consolidation

At present the issued share capital of the Company consists of 3,108,284,090 Existing Ordinary Shares of £0.0001 each. The Directors consider that the number of Existing Ordinary Shares in issue is excessively high and results in additional administration costs. In view of this, the Directors propose to reduce the total number by way of the Share Consolidation. The effect of the Share Consolidation will be to reduce the number of Existing Ordinary Shares held by each member, but, save for fractional entitlements, the proportion of the total issued share capital of the Company held by each shareholder following the Share Consolidation will be unchanged.

As part of the Proposals, the Company is seeking Shareholder approval at the General Meeting for the Share Consolidation, whereby the Existing Ordinary Shares of £0.0001 each are consolidated into Consolidated Ordinary Shares of £0.001 each in the capital of the Company on the basis of one Consolidated Ordinary Share for every ten Existing Ordinary Shares held.

The purpose of the Share Consolidation is to reduce the total number of shares in issue. The Directors believe that this may reduce the volatility in the price of the Company's shares, may avoid large dealing spreads in the shares and may ensure that the price of the shares is more appropriate for a company of its size.

It is proposed that the Share Consolidation will consist of the following steps:

- a) every ten Existing Ordinary Shares in issue will be consolidated into one new Consolidated Ordinary Share; and
- b) fractional entitlements arising out of the consolidation under sub-paragraph a) above by reason of there being either less than ten Existing Ordinary Shares or a number not divisible by ten shall be rounded down to the nearest whole number. Fractions of a share cannot be issued by the Company. Instead, in accordance with its Articles, all such fractional entitlements shall be aggregated into new Consolidated Ordinary Shares and the whole number of new Consolidated Ordinary Shares so arising shall be sold in the market and where the net proceeds of the sale in respect of any holding does not exceed £3.00 shall be held for the benefit of the Company as the administrative cost of distributing the proceeds to shareholders concerned would outweigh the value of any individual fractional entitlements. Those shareholders who hold less than 10 Existing Ordinary Shares will not be entitled to any Consolidated Ordinary Shares arising on the completion of the Share Consolidation and will therefore no longer be shareholders in the Company.

The Companies Act and the Articles require that Shareholder consent is sought for the Share Consolidation and approval will be sought at the General Meeting which has been convened for 9.30 a.m. on 5 April 2013 at the offices of Brown Rudnick LLP, 8 Clifford Street, London, W1S 2LQ. It is anticipated that new certificates for the new Consolidated Ordinary Shares will be issued and dispatched at the shareholder's risk by 15 April 2013 and that CREST holders will have their CREST accounts credited with their new holdings on 8 April 2013. Pending the issue of new share certificates, existing share certificates will remain valid until the record date in respect of the Share Consolidation, which is 5.00 p.m. on 5 April 2013, being the date occurring on the date of the General Meeting. The new Consolidated Ordinary Shares will carry the rights and be subject to the same restrictions as the Existing Ordinary Shares as set out in the Articles.

The resolution to effect the Share Consolidation is set out in the Notice which can be found at the end of this document.

6. Warrants

As at 11 March 2013 (being the last practicable date prior to the date of this document), a total of 905,700,000 Existing Warrants have been granted by the Company and are outstanding of which 900,000,000 were granted pursuant to the Warrant Instrument 2012 and the remaining 5,700,000 are due to expire on 25 March 2013 and are currently underwater.

Following the Share Consolidation and pursuant to the terms of the various warrant instruments including the Warrant Instrument 2012, the subscription rights of the Existing Warrants will be adjusted to reflect the impact of the Share Consolidation on the Company's share capital. The adjusted subscription rights will be certified by the auditor of the Company and the Warrant Holders will receive notice of such adjustment within 14 days of such certification.

It is also anticipated that following the General Meeting, the Board will grant further warrants pursuant to the terms of a new warrant instrument to be adopted by the Board over up to a further 71,997,693 Consolidated Ordinary Shares representing 13.00 per cent. of the Enlarged Share Capital at a subscription price of 0.35 pence being the Placing Price. Up to 55,382,841 New Warrants are proposed to be issued to Christopher Akers and up to 11,076,568 New Warrants to Marcus Yeoman both being directors of the Company representing respectively 10.00 per cent. and 2.00 per cent. of the Enlarged Share Capital. Up to 5,538,284 New Warrants are proposed to be issued to Strand Hanson representing 1.00 per cent. of the Enlarged Share Capital pursuant to the terms of its engagement letter with the Company. The warrants will have an exercise period of five years from the date of issue. The New Warrants will not be admitted to trading on AIM or any other exchange.

7. Related Party Transaction

The grant of the Warrants to the Directors is a related party transaction under the AIM Rules. Ordinarily the AIM Rules require that the directors, other than those with an interest in the transaction, consider and make a statement as to whether the terms of a related party transaction are fair and reasonable insofar as shareholders are concerned. However, in this instance, both of the Directors are interested in the transaction and there are no independent directors available to give such a statement. Accordingly, the grant of warrants is being made subject to shareholder approval and Strand Hanson Limited, the Company's Nominated Adviser, has reviewed the grant of warrants and considers that the terms are fair and reasonable insofar as Shareholders are concerned.

8. Outlook

The Company is confident that it has identified a strong business in Moshen at an attractive price and that further complementary investment opportunities will be identified in the coming weeks and months. Therefore, the Company is confident that the underlying net asset value of the Company will grow in the current year and that the investment policy should provide shareholders with capital growth over time.

The Directors are also seeking shareholder authority pursuant to resolutions 3 and 4 to fund the whole or part of any future acquisitions by the issue of shares in the capital of the Company for cash or as consideration, and accordingly are seeking authority to allot securities up to an aggregate nominal value of £300,000 representing approximately 54 per cent. of the Enlarged Share Capital in connection with future issues for cash and an equal amount in connection with future acquisitions.

9. General Meeting

The General Meeting, notice of which is set out at the end of this document, has been convened for 9.30 a.m. on 5 April 2013 at the offices of Brown Rudnick LLP, 8 Clifford Street, London W1S 2LQ for the purpose of considering and, if thought fit, passing the following Resolutions which need to be passed to permit the Proposals to proceed:

Ordinary resolutions to:

1. approve the Share Consolidation;
2. approve the grant of New Warrants;

3. authorise the Directors to allot shares in the capital of the Company and other relevant securities up to an aggregate nominal amount of £914,998, including in connection with the Placing Shares and the Warrant Issue;

Special resolution to:

4. disapply statutory pre-emption rights in relation to the allotment of equity securities for cash other than in accordance with the statutory pre-emption rights up to a nominal aggregate amount of £300,000 and in addition in connection with the Placing Shares and the Warrant Issue.

10. Action to be taken by Shareholders

A Form of Proxy for use at the General Meeting is enclosed with this document.

Shareholders holding Existing Ordinary Shares in certificated form should complete and sign the Form of Proxy and return it to Share Registrars Ltd, Suite E, First Floor, 9 Lion & Lamb Yard, Farnham, Surrey GU9 7LL or send by fax to the following number 01252 719 232 as soon as possible but in any event to be received not later than 9.30 a.m. on 3 April 2013 or 48 hours before any adjourned meeting.

The return of a Form of Proxy will not, however, prevent a Shareholder from attending the General Meeting and voting in person, should he/she wish to do so. Shareholders who wish to attend in person should contact Share Registrars Ltd in advance to confirm what identity documents they should bring with them and to complete a form of representation (available on request from Share Registrars Ltd) if necessary.

11. Recommendation

The Board unanimously recommends that Shareholders vote in favour of the Resolutions to be proposed at the General Meeting, as they intend to do in respect of their own beneficial holdings of 88,333,334 Existing Ordinary Shares amounting, in aggregate, to approximately 2.84 per cent. of the Existing Ordinary Shares).

Shareholders should note that in the event the Resolutions are not passed at the General Meeting, the Placing and the Moshen Acquisition would not proceed. There can be no guarantee that the Company would be able to complete the Moshen Acquisition on any other basis or to raise funds on terms which would not result in a substantial dilution of Shareholders' interests, if indeed at all.

The Board urges all Shareholders to submit a Form of Proxy as soon as possible and in any event so as to arrive no later than 9.30 a.m. on 3 April 2013.

Yours sincerely,

Chris Akers
Executive Chairman
